Envisioned AI Framework: Delivery Operating System

The four pillars are engagement entry points. The operating system is how we deliver reliably, end-to-end.

EXECUTION

FOUNDATION

NEW TECH
Radar & Assessment

USE CASE & PATTERNS
Standardised Blueprints

STRATEGY & ROI
Value Engineering

REG & ETHICS
Governance & Safety

Enablement
Tools, access & sandboxes

Design & Development
Agile AI delivery

Observability
Monitoring, drift & optimisation

Target Operating Model
Roles, process & funding

AI Literacy / Fluency
Workforce transformation

Legend: ■ Strategy ■ Governance ■ Delivery ■ Enablement
